From Your President

Hello all. Hope you have enjoyed the weather this summer as it has been outstanding! First of all I need to announce how pleased I am that Julie Mulkern is back covering the ever busy secretary/treasurer position. As we bring summer into fall and our kids are heading back to school (YAY) we have arranged for a great start to our meetings. You will not want to miss this one. Naval historian Bob Begin will have a spectacular presentation on the U.S.S Quincy. From hand writing letters from young sailors, photographs and news clippings he has created a great presentation I'm sure you will enjoy.

Tedd Hugger, Brian Fournier and I met with Nonesuch Golf course last week and put together some details for our 2nd annual golf outing. The ballot was sent out last spring and over 70% of the members that voted wanted this year's outing to be held mid-week. We settled on September 19th in hopes to bring a good crowd. You wanted a weekday event and we made it happen. Show your support and get 4 colleagues together and come play a round of golf. It is sure to be a good time. Cash prizes with awards for 1st and last place team members. Invites will be emailed next week with flyers at the table of our first meeting.

I look forward to seeing you on Thursday September 13th at our dinner meeting and in welcoming Mr. Bob Begin as our guest speaker.

Regards to all,
Sean Petty
