### **From Your President**

Hello fellow members of the Propeller club! First off our thoughts and prayers go out to those that have suffered from hurricane Sandy. Seems we made out ok here but our friends just further south were not so lucky. Many as you know lost their homes and belongings and we should recognize how lucky we ended up.

Welcome to the fall season in full swing, bringing in changes to the scenery and weather. November begins the thought of Christmas which brings attention our annual Christmas Dinner. This year being held on December 13<sup>th</sup> at the Portland Country Club. More details to follow very soon however please plan to attend and invite all our friends and co-workers. It always makes for some interesting conversation, a little magic and a great band.

Thank you to all who attended last months dinner and welcomed our old friend back for some very detailed information on how other ports are making out compared to Portland. This month please help me welcome Bill Frappier Sr.

I ask those that have yet to pay your dues PLEASE get these into Julie as they MUST be received by National by the end of the year.

Regards to all,  
Sean Petty
