From Your President

Hello Members,

Happy Spring!! Nice to see some warm weather headed this way. You may have seen by now the newest customer of the port coming into the IMT terminal. The container ship Skogafoss and sister ship Reykjafoss now coming into Portland and should be regular callers at the International Marine Terminal. Great news for the port!

Last dinner meeting we announced a vote being passed around for board members. We have had one board member hand in a letter of resignation with one seat opened up this June. I was only approached by 1 person for a board position and the expiring seats wanted to remain. The board of Governors has voted to add William York of Mechanical Engineers to the table. He will be taking the vacant seat of our good friend Nash Garabedian. Nash has decided to resign from the board and will be moving on from his position. Please help me welcome our newest board member Bill York.

Our next dinner meeting speaker is Mr. John Henshaw, Executive Director with the Maine Port Authority. Please join us and welcome John and hear all the great news he has to share with our newest friend of the port.

On the radar is Maritime Day. Save the date for May 17, 2013 for this year's lunch at the Italian Heritage Center. More details to follow however I am hearing about a speaker you will not want to miss!!

Regards to all,
Sean Petty
