

Propeller Club of the United States

Port of Portland Maine
February 2013
www.propellerclubportlandme.com

From Your President

Hello Members,

The month of February is just about here. More cold weather and the occasional snow fall only means the days are finally growing longer! It is always great to hear the Capt of the port share his information and stories with the club. Thank you all who attended and we look forward to the same if not more attendees for next month. We will have a very interesting presentation as Chief Project Manager, Keith Cota brings his literature and power point show to the club. Keith is overlooking the Memorial Bridge that spans Maine/New Hampshire project and from what I hear is full of some great clips. We will also be passing out the awards for the tug muster from Aug 2012. Please come out and show support for both our guest speaker and the sponsors of the MS tug muster. See you on February 13th!!

Regards to all,
Sean Petty

From your Secretary/Treasurer

Hello Members,

Thank you all who attended the USCG - COTP, January meeting, it was a good turnout for Capt. Roberge. Thank you Aimee for covering for me as I had to go out of town unexpectedly. We were asked by DiMillo's Restaurant to change February's Meeting to Wednesday 13th because of Valentine's Day falling on Thursday this year. We hope this works out better for everyone.

Thank you to all of you who have paid your dues, we are still waiting on a couple of you, I have emailed out a reminder and hope to have them soon to send into National. Please let me know if you have or want any changes in your contact information as we will be revising our Membership directory's for 2013. There is Advertising space available in the directory, for rates and information please contact: Ted Hugger 207-799-1356, thugger@highlinerEvents.com.

Thank you all and hope to see you on February 13th!

Thank you.
Julie Mulkern
Sec/Treasurer
