### **From Your President**

Hello Members,

Bring on the spring time weather as we welcome in the month March. Thank you all who came out to last month dinner meeting to hear the very knowledgeable Keith Cota on the bridge construction. This month we welcome Ed O'Donnell from the US Army Corps of Engineers and hopefully bring good news regarding the upcoming dredge projects this year.

We wanted to share with you a photo of what I believe to be the best sign on Commercial St. The Maine Port Authority and International Marine Terminal have named their new building after our dear friend Capt. Susan Clark. This sign can be found out front their building at 460 Commercial St. We will also be passing out the awards for the tug muster from Aug 2012. Please come out and show support for both our guest speaker and the sponsors of the MS tug muster. See you on February 13th!!

See you on March 14<sup>th</sup>!!

Regards to all,  
Sean Petty
